Authorised Dealer:

Product Overview – MXC2200-IN

Application:

Construction,
Remodeling, metal
fabrication

Features and benefits:

- Superior Durability and performance
- Ergonomic design for better handling
- Heavy Duty guard for user protection

Specifications	MXC2200
Input Power	2200W
No load speed	4200/min
Max Dia	355mm
Lock-On feature	Yes
Weight	14.7 Kg

Product Overview – MXD350

Application:

Drilling and screwdriving
in Metal, woodworking.
Metal taping.

Features and benefits:

- 350W motor for higher working efficiency
- Ergonomic design for better comfort
- Lock on switch for continuous working

Specifications	MXD350
Input Power	350W
No load speed	0-2800/min
Chuck capacity	1.5 to 10mm
Lock-On feature	Yes
Weight	1.4 Kg
